

Hearing Loss Is Invisible.

Those With Hearing Loss Are NOT!

*My name is Mike,
I have hearing loss.*

*I have a disability that
affects 1 in 10
Canadians.*

*I can hear you but
I do not always
understand
what you are saying.*

Mike
Business Manager

Do you know how to communicate with me?

- 1. Face me, speak slowly & clearly.**
- 2. Repeat or rephrase. Do not leave me out.**
- 3. Do not cover your mouth. I read lips.**

**Hearing loss is a challenge.
Communication does not have to be.**

Be Aware.
